

SPOTLIGHT ON MISSIONS

This week we pray especially for **Ed and Mary Frampton**.

Ed serves as Executive Director of The International Board of Jewish Missions whose headquarters are in Chattanooga, TN. His passion for Jewish souls causes him to travel around the world to minister to Jewish people. In addition to this evangelistic work, Ed is heavily involved in training others to reach Jews for Christ. This is done at their training facility in Chattanooga and in churches all over the country.
