COUNTING DOWN

We can truly say with the Apostle Paul, “the time of our departing is at hand”.

Praise the Lord, We are leaving on **May 24th**. We fly out of the Greenville-Spartanburg Airport at seven-thirty in the morning, and we arrive in Managua, Nicaragua about lunchtime. Our furlough has been a real time of blessing for us, but we are **READY** to return home to Nicaragua. We can’t wait to get back to Nicaragua, so we can start planting a church in Bluefields for God’s honor and glory.

MINISTRY

We have been very busy since our last letter. We have been in churches in Georgia, Florida, Louisiana, and South Carolina. The Lord has blessed us with several new supporting churches. We are excited about what the Lord is doing in our ministry. We have had the privilege to visit a number of our supporting churches and updated them on our ministry, and what the Lord’s has called us to do in Bluefields. Everyone has

been very encouraging, and we have enjoy renewing friendships and meeting new brothers and sisters in Christ.

We are currently on our last long trip. We are visiting

churches in Louisiana, Texas, Mississippi, Alabama, and Georgia. When we return to South Carolina, we will have about two weeks before we return to Nicaragua. We had the privilege to help out our supporting church, Harvest Baptist Church, with their Resurrection Sunday services. I got to help with the breakfast after the Sunrise service. During the morning worship hour, Susan had the privilege to lead a lady

named Margarita to the Lord. This sweet lady has been attending the church for

years, but had never made a decision for Jesus Christ. There was rejoicing in Heaven, and here on earth!!!
