Dear Prayer Partners,

PRAISE THE LORD !! The property we purchased in Baghdad was finally registered in the name of the New Testament Baptist Church. This was an historical event because it was the first church property in Iraq to be put in the name of a local church.

Thank the Lord for every Child of God and Church who gave in order to make this project possible!

The new property will be used for:

1. The Church services
2. Our Bible College
3. Our Radio Station

We will be renovating the property to be suitable for the three ministries.

Photos will be printed on our next newsletter.

Thank you, dear prayer partners, for your prayers on our behalf. Please continue to pray that souls will be saved and that more and more people throughout Baghdad will listen to the radio station.
