Return to Zambia

Prayer Requests and Praises

- Fruit that remains from many Gospel presentations.
- Discipleship Bible studies with Pastor Maybin and the men in his church.
- Pastor Maybin's ordination service.
- Teen conference.
- Preparations for our move to Cape Town—specifically the approval of our visa applications and the arrangements for a moving truck.

The Lord answered many prayers when we traveled back to Zambia on January 9. Our total trip back to our home took over 40 hours. A few specific ways we saw the Lord work were in giving grace for the goodbyes, helping the children to be good travelers, providing an available rental van in the capital city as soon as we arrived (even though the reservation had been lost), and giving us a smooth road trip in Zambia without the former ten-plus mandatory police checkpoints. We were welcomed home by a thick layer of dust in our house, but we surely are glad to be back!

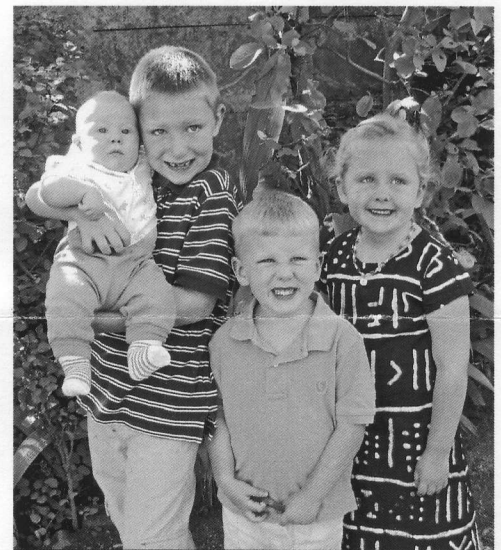

We sold our truck shortly before we left for furlough, and we will wait to buy another vehicle when we arrive in South Africa. So while walking and traveling on alternate transportation, I have had many opportunities to share the Gospel with those whom I would not have otherwise met. In the past month, I have talked with students at a local college, the wife of a U.N. worker, a college professor, numerous taxi drivers, and many fellow pedestrians. Please pray for lasting fruit from these Gospel witnesses.

A Look Ahead

- Sunday, February 12: Pastor Maybin Chilambwe's ordination
Monday, February 13: A second attempt at submitting our visa application.
Saturday, February 18: Teens of the Word Conference on Ephesians

The teens are eagerly memorizing portions of Ephesians and reviewing James (from a previous conference). They will choose materials from an awards table (provided for by a ladies' group and a VBS offering in 2011) to aid in their spiritual growth.

Lord willing, we will be moving to South Africa in the next few weeks once our visas and moving arrangements are finalized. Please note our new mailing address, effective immediately as listed below.

Our children as we prepared for church

I had the privilege and joy to preach at Immanuel Baptist Church in Kalulushi. What a joy it is to see a group of believers who are growing and reaching their community!
